**There is no such thing
as community transport!**

**Transport for older
people must be a
priority if we are to
achieve a socially
inclusive Australia**

As Australians age there access to transport diminishes

Transport becomes an issue of affordability as much as physical access

Mornington Peninsula

**High % of
older people**

**Limited
transport
options**

**Increasing
road
congestion**

Solutions

1. Coordinated access to transport

Solutions

2. Change the culture of ownership
